

"Reclaiming God's resources for His purpose"

It is with great excitement that we come to you today. The news about what CRI is doing is spreading all over the globe and more of the GOOD NEWS has been shared with individuals, pastors, Bible school students and new believers than ever before! To date this year, we have sent 7 containers and 765 Bare Your Bookshelf packets. In containers alone, that represents \$2,443,000 of Bibles and Christian literature!

This would not have happened without you. We received the letter below recently and it was so encouraging that we wanted to share with you.

"In May a Christian young man who works at a bookstore called a missionary and said he had 1000 Bibles and wanted to know if he could use them. He said, "Yes," and took what he needed, but there were still lots left over. There were some that he could not use or store so he asked around to see who could make good use of them. A gracious companion of CRI suggested that they donate the remainder of the Bibles to CRI. On their first trip they brought over 1500 lbs. of Bibles & Christian literature and the second trip over 5500 lbs. They continue to collect and store Bibles to donate to CRI. We are so thankful that everyone involved worked together and got the literature to CRI.

Here at CRI, it is important to us that we are adequately equipped to continue the Lord's work with excellence as we continue to fight the good fight of faith, collecting and distributing the WORD OF GOD! In our mission to do God's work with excellence, we want to make sure that the donations that we receive are housed in an environment where they stay in the best possible condition. Currently, we have had some challenges with our roof and siding of our 2nd warehouse building, as well as, the cracked concrete between our warehouse and our main building making it extremely difficult to get the forklift over. It is important to us that we keep our building and property in safe, working order for the many that visit, for our volunteers and for our staff. We want to be good stewards of the Bibles and Christian teaching tools that are so generously donated so we are asking for your help. We want to say thanks, in advance, to you, praying and believing you will come alongside of us and support the ministry's building, property and four remaining sea containers, as together we continue the challenge to get the Word to the World.

2 Corinthians 9:7

For God loves a person who gives cheerfully. And God will generously provide all you need. Then you will always have everything you need and plenty left over to share with others.

Our Needs:

- \$15,000 - Roofing
\$5,000 - Concrete
\$43,600 - Containers

Thank You for glorifying God with your gift!
